

Hipperholme & Lightcliffe Day Nurseries Limited

Early Years Long Term Plan 2023 - 2024

Themes are continually reviewed and children's own interests and ideas reflected on and responded to in planning on a weekly basis. During each topic children are given opportunities to talk about what they would like to learn and teaching is based on children's own interests. This academic years planning has been reviewed to reflect changes in the EYFS 2021.
